INDEPENDENT AUDITOR'S REPORT

To the Unitholders of "C-QUADRAT Ampega Fixed Pension Fund - P":

Opinion

We have audited the financial statements of "C-QUADRAT Ampega Fixed Pension Fund - P" (the "Fund"), which comprise the statement of net assets as at December 31, 2017, and the statement of fund result, statement of changes in net assets for the year then ended, and a summary of other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the statement of net assets of the Fund as at December 31, 2017, and its financial performance and changes in net assets for the year then ended in accordance with Austrian Generally Accepted Accounting Principles.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing ("ISAs"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (the "IESBA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Armenia, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Austrian Generally Accepted Accounting Principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Explanatory Information to the Financial Statements for the year ended December 31, 2017 (continued)

The accounting currency of the portfolio is the ARMENIAN DRAM (AMD). Percentage holdings and positions in the financial statements are presented as percentage of net asset value as at reporting date (%).

The annual financial statements are prepared in accordance with Austrian Generally Accepted Accounting Principles (Austrian GAAP). The accounting period reported on is the year from January 1, 2017 to December 31, 2017.

Issue and redemption of units. The net asset value of the Fund is calculated in Armenian dram and represents the difference of total market value of the Fund assets and total Fund liabilities. The net asset value as well as the prices of redemption and issuance of units is calculated daily and is published by the Manager on its official website. Issuance and redemption of shares is carried out at the latest published price of net asset value per unit available on the Manager's official website as of the date of application for issuance or redemption. No charges or fees are made for issuance of units. Redemption fees are born by the applicant and vary from 0% to up to 2% depending on the type of the redemption transaction (cash/non-cash, etc.) and are stipulated by the Fund Rules and applicable legislation of the Republic of Armenia.

Custodian and depository bank fees. No fees are charged by the depository bank. Annual fees charged by the custodian equal to 0.15% of average net assets, calculated daily. Custodian fees are born by the Fund Manager.

Fund rules: The Fund's rules and periodic reports, as well as information and rules on issue and redemption of units, description of Fund's investment objectives and investment policy and other information are available and may be obtained from the Fund Manager's official website at <https://www.c-quadrat-ampega.am>. Unitholders do not hold voting rights. Fund's units are not listed in any stock exchange.

Financial instruments valuation rules. Securities are carried on the statement of net assets at their current value as at reporting date: this is their latest known market value or, in the absence of a market, is determined by any external means or by recourse to financial models.

Differences between the securities' current values determined as above and their cost are recognized in the accounts as change in unrealized closing price in the statement of fund result. Transactions with securities are recorded at trade date.

Securities denominated in a currency other than that of the portfolio are valued in accordance with the above principle and then converted into the currency of the portfolio at the exchange rate obtained on the valuation date.

Deposits. Deposits are valued according to the linear method.

Equities, bonds and other securities traded in a regulated market or equivalent. When calculating the NAV, the equities and other securities traded in a regulated market or equivalent are valued based on the last available closing market price.

Bonds and similar securities are valued at the closing price notified by various financial service providers. Armenian Treasury bonds are valued using the market rate published daily by the Central Bank of Armenia.

Equities, bonds and other securities not traded in a regulated market or equivalent. Securities not traded in a regulated market are valued by the Fund Manager using methods based on net equity and yield, taking into account the prices retained in significant recent transactions.

Armenian Treasury bonds are valued using the market rate published daily by the Central Bank of Armenia.

UCITS held. UCITS units or shares are valued at the latest known NAV.

Taxation. Under present law of the Republic of Armenia the Fund is not subject to tax on income, profits or capital gains or other taxes payable.

Management fees. Management fees are calculated on the net asset value of the Fund and are recognized in realized fund result. Management fees are paid in full to the Fund Manager, which bears all the fund's operating expenses, except for audit fees and guarantee fund payments. The management fees do not include transaction costs. Annual management fee is calculated daily at 1.0% including any applicable taxes and is paid by the 10th business day of the following month.

Distribution to unitholders. Fund income shall not be distributed to unitholders but shall be re-invested in the Fund. Unitholders may receive their share of Fund income solely upon redeeming of units.
